NEWSLETTER

From the desk of the Principal

What an amazing week we had last week, celebrating Education Week. It really displayed the variety of amazing opportunities that are available for our students at Glenwood.

We have had the pleasure of hosting Mrs Pilon for the last 2 weeks, from Canada. She has included a thank you message in this newsletter.

Below is a lovely extract from SeeBeyondBorders regarding our recent volunteer program.

Dear Anne

THANK YOU so much from everyone at SeeBeyondBorders both in Cambodia and in Australia, to you and all the staff, parents and students at Glenwood who either took part in the program in Cambodia over the school holidays, or who helped to make it a possibility through fundraising or other ways of supporting us and the teachers.

We were so fortunate to have the Glenwood team here. Their unwavering good humour, enthusiasm, professionalism, courtesy, expertise and respect for their Cambodian colleagues was an absolute joy to witness and be part of.

I know from discussions with all of you that you had a huge amount of support from the other staff, students, parents and community in helping to raise the donation part of your registration with us. I hope they will all see when you show the photos and talk about the trip, what a huge difference that support has made to the program and how many teachers and students Glenwood's support has benefitted not only for now but well into the future. It was wonderful to hear of all the innovative ways your students independently came up with to raise funds and awareness for SeeBeyondBorders. If you are able to send us any photos of the students fundraising for our website that would be great!

We very much hope that we can continue the friendship and partnership we have been lucky to have developed with the Glenwood community well into the future. We have a few ideas to discuss with you, once you have had a chance to catch your breath and get back into the hustle and bustle of another school term.

With our very best wishes and thanks,

Kate and Ed Shuttleworth, on behalf of all the SeeBeyondBorders team.

Message from Mrs Pilon

It was a great pleasure visiting your school and classrooms. You all provided a warm welcoming setting. I return to Canada richer in spirit and knowledge. Thank you all.
