This Week's Class Profile: 5/6T

There have been lots buzzin' in 56T this term! We have been enjoying our buddy class 2C visit each Thursday to join in Play is the Way activities with us. Just a few weeks ago, the students reunited with their Sing Out Loud buddies to sing and rehearse for a Christmas concert on Thursday 8th December. Some time each week has been devoted to Creative Arts Genius Hour, allowing the students to pursue a creative interest or passion. The importance of the moon and how constellations came to be have been just two areas of research in our space unit. Stage 3 has begun structured dance sessions in preparation for the Year 6 Farewell. Along with all of our regular lessons, it has certainly been a full term with much more to come in these last few weeks. May the force be with us!!!
