# Glenwood Public School

*"We are safe, respectful learners."*

SAFE	RESPECTFUL	LEARNERS
We are safe when we keep our hands and feet to ourselves	We are respectful when we speak politely and follow instructions.	We are learners when we follow the rules.

## Rolling with the Red backs

It is nearly the end of the year but learning in the Redbacks hasn't stopped. We are investigating and creating a diorama of a natural environment in groups. Students have been researching the habitat, vegetation, climate, landforms and any other interesting facts about a specific environment that they selected as a group. In the coming weeks students will complete a diorama, which is a model representing a scene with three-dimensional figures, and it will be displayed in the 3/4 R wet area to be observed by parents and friends.
