### Principal's Message

#### Positive Behaviour for Learning (PBL)

Week 4's PBL focus is to "Stay in bounds". This focuses on the importance of being in the right place to ensure you are safe.

Our PBL focus for Week 3 was to "Use the equipment responsibly".

#### Kindergarten Orientation

Our 2019 Kindergarten students had the opportunity to visit our school on Tuesday as part of our Kindergarten Orientation program. The session was an outstanding success with teachers being able to interact and get to know our future Glenwood students. Parents had the opportunity to find out a bit more about what the year of Kindergarten involves and ask questions.

I'd like to thank Miss Carrerio, Miss Parramore and Mrs Carlson for their organisation of the day and Miss Mowlan, Mrs Campbell, Miss Zaman and Ms Diezmo for their input and support on the day.

## Science Technology Engineering Mathematics (STEM) Academy Showcase

Glenwood Public School presented and received feedback on the STEM project our school is collaboratively working with alongside the Whiddon Group and in conjunction with the University of Sydney. Our school STEM team, comprising of Miss Harper, Miss Weeitch and Mrs Mudaliar, presented our school's incredible initiative to Sydney University academics, dignitaries from various educational institutions including the Department of Education and colleagues from other STEM schools.

The presentation was an outstanding success and delivered a detailed and inspiring narrative of the journey and learning our students have experienced.

Congratulations and well done!

## P&C Meeting

A reminder that next week's P&C meeting will be held in the library at 7:00 pm. Thank you to the P&C for offering our students a cool refreshment option at the end of some of our warmer days so far this season. The P&C has been selling ice blocks on Friday afternoons which has come as a welcomed and highly enjoyed treat to start the weekend.

## Departing Families

As mentioned in an earlier Buzz newsletter, 2019 staffing organisation has commenced. Part of this process requires some understanding of student and family movement. If you are aware that your family will be leaving our school over the summer school holidays and will not be returning to Glenwood Public School next year, could you please inform the office.

This will greatly assist in 2019 planning.

Have a great weekend.

Mr McInney

Principal

## Term 4

Week	Monday	Tuesday	Wednesday	Thursday	Friday
4	5 November	6 Kindy Orientation	7 STEM Project at Easton Park	8	9
5	12 November	13 Kindy Orientation	14 STEM Project at Easton Park	15	16 Gala Day

# Kindergarten Orientation

We would like to invite all students and families who will be starting Kindergarten in 2019, to attend our school orientation program. These weekly visits help to build your child's confidence and familiarity with our school.

Each week, students will experience school life with their peers in the Kindergarten classrooms. Families are invited to the library during the orientation time for morning tea and a chance to meet the teachers and receive resources to support your child's transition into school.

- ☀ Tuesday 30<sup>th</sup> October - Parent morning tea
- ☀ Tuesday 6<sup>th</sup> November - Parent morning tea
- ☀ Tuesday 13<sup>th</sup> November - Parent information session

From 9:30am - 10:30am each week, in the Kindergarten Rooms.

9605 3260
