Monday 17<sup>th</sup> September

- 

Tuesday

- 

Wednesday

- Regional Athletics
- STEM Project at Easton Park
- Scripture

Thursday

- Assembly 12M

Friday

- Gala Day (Back up)

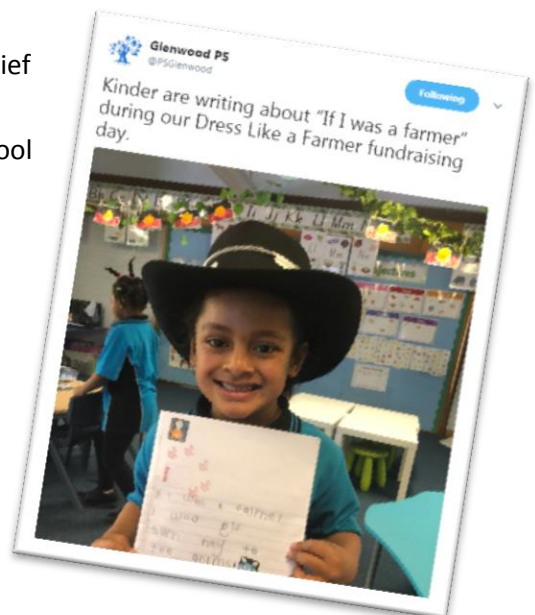

### Principal's Message

#### Positive Behaviour for Learning (PBL)

This coming week's PBL focus is "Celebrate Success". This focuses on the importance of being respectful and affording recipients praise.

#### Dress Like A Farmer

Congratulations to our community for their support of our Farmer Relief fundraising. Thanks to the efforts of our school families and staff, Glenwood Public School raised \$517. It was wonderful to see our school rally behind our farmers and support them in such a wonderful way. Congratulations to the School Representative Council (SRC) for coordinating this fantastic initiative.

### Staff Development

On Wednesday of this week, Glenwood Public School staff had the first of 4 twilight staff meetings in lieu of the last non-student days at the end of the year. Teachers met for 3 hours, working on their Performance and Development Plans (PDP) and linked them with the Australian Teaching Standards. Staff also used this time to streamline our professional development and observation processes. It was a very worthwhile 3 hours and staff gained a great deal from the session.

### NAPLAN Reports

Earlier this year, Year 3 and Year 5 participated in the NAPLAN assessments. The reports for the students that participated in these assessments have arrived today and will be distributed to families early next week.

### Thank you Mrs Searle

I'd like to thank Mrs Searle for "steering the ship" in my absence on Long Service Leave. Mrs Searle did a wonderful job and I am grateful for her efforts last week.

### P&C Survey

Yesterday, Glenwood Public School released a survey on behalf of the P&C to gain feedback on their operations and some possible future directions. It would be appreciated if parents could take a moment to complete the online survey included below. Responses will be anonymous and your input will be greatly appreciated in helping our school P&C continue to support our school and its students.
